THE HAWKSMOOR

Project Description

Hawksmoor Bar at Wood Wharf is the biggest of the lot: a generous, flexible space with its own heated waterside terrace, room for up to 330 guests in summer, & the rare advantage of offering the same à la carte dining experience as the restaurant upstairs,

PACT COFFEE

Project Description

Enjoy outstanding coffee from the world's best growers, roasted just days before delivery. Savour cups with clarity, character, and expressive flavours – from growers whose work you'll rarely taste elsewhere.

NATURECAN

Project Description

We feel deeply connected to our environment and nature, that's why we want to give something back to our planet. We have decided to plant 1 tree for every order in our shop.

PETS AT HOME

Project Description

Our purpose is why we exist. It's what drives us to provide the very best pet care products, services and advice, in a way that's both socially responsible and environmentally sustainable.

ASPIRE PHARMA

Project Description

Aspire Pharma's founding principle was to take a medicine, a molecule or a device and enhance it. This might be an improved presentation, a more convenient dose, or a more acceptable formulation for patients,

YOGAMATTERS

Project Description

For nearly 30 years, we have been here to encourage movement, rest and living well. From the very beginning, our purpose has been simple: to make yoga and wellbeing accessible to everyone.
